

## Everything's Better With A Mustache (Walrus Song)

Intro: E A B B

E A B A

When it's dark and murky on the seafloor

E A B A

I tend to use my mustache even more

E A

With large tusks, so glad I've got 'em

B A

Drag 'em through the sandy sea bottom

E A B

When I feed, twice a day, it makes me say

E A B A

Everything's better with a mustache

E A B A

Everyday's better with a mustache

E A B A

I'm not trying to be so selfish

E A B A

It's just that my favorite food is shellfish

E A

I like to use my tusks

B A

When i'm searching for mollusks

E A B

It's easy, with my mustacial vibrissae (it makes me say)

E A B A

Everything's better with a mustache

E A B A

Everyday's better with a mustache

E A B A

You know everything's better with a mustache

C#m F#7

You know that everyday's better, every day is better

A B E

And everything is better with a mustache

E A B A (during entire voiceover)

*You know, right now I've got a mustache.*

*All my friends have mustaches.*

*My mom and my sister have mustaches too.*

*Huh, why even my grandma has a mustache!*

*It's a very important organ that helps us find our food.*

*It's not easy making all this blubber you know.*

*And we need blubber to stay warm in this cold, cold water.*

*So thank you mustache, for keeping us alive!*

Guitar Solo:
